

Chestnut Class Years 5 and 6
Take Away Task - Summer 2019

Your task is to choose a country to research anywhere in the world and present your findings to the class.
You should use a range of resources to help you understand the features of the country you are studying.

Below is a list of questions you *might* like to answer.

- Where is the country located?
- What is the population like?
- What is life like for an adult/child living in the country?
- What sort of jobs do people do?
- Are there any environmental issues?
- What are the transport links to other countries/ areas within the country like?
- What is the capital city and what is there to do there?
- Are there different regions in the country?
- What is special about the country?

You can choose how to present your work.

I have included some ideas below but feel free to think of your own.

1. Power Point presentation (including images and photographs)
2. Tourist Guide – use other guides as inspiration
3. Leaflet – again use others as a guideline
4. Information Booklet – written information and pictures/photographs
5. A model with an accompanying mini booklet
6. Poster – must include writing as well as pictures
7. A much more exciting way that you have chosen yourself

If you need any help or resources please ask.

Good Luck and enjoy!
