

**Acorn Class Year 3 and 4**  
**Take Away Task – Autumn 1**

As we are looking at the Romans in History, your task is to complete a project on this fascinating era to discover what the Romans did for us and how their occupation of Britain changed the country forever.

You may choose to:

- Research and make a 3D model of a Roman Villa.
- Create a maths work sheet for Roman children, making sure you use Roman numerals for your calculations.
- Find as many countries as possible that the Roman invaded. Draw their flags and write a few sentences to go with each flag.
- Imagine you are a member of a Roman Leaders household. Write a letter home to your family.
- Make a Roman shield out of cardboard – research the styles and colours carefully.

Alternatively, you could research Julius Caesar's invasion. You can choose how to present your work. Feel free to think of your own but a few ideas are below:

1. PowerPoint presentation
2. Leaflet
3. Information booklet
4. Poster
5. Non-chronological report

If you need any help or resources let me know.

**Please hand your Take Away task in on Tuesday 15<sup>th</sup> October**

I look forward to seeing your fantastic homework!

Mrs Preece
