How to Make a Chocolate Roman Road

You will need

A small rectangular baking tray or plastic cups

Plain biscuits

Smarties

Ready-made custard

Maltesers

Custard Cream biscuits

What to do

1. Crush the plain biscuits and sprinkle them all across the bottom of the tray until the tray is covered.
2. Mix together the Maltesers and half of the custard and pour the mixture over the crushed biscuits.
3. Combine the remaining custard with the Smarties and spread the mixture above the previous layer.
4. Place the Custard Creams carefully beside each other until they cover the whole surface.
