This February half-term, gift your child the opportunity to develop their creative skills in this programme led by expert artists, photographers and practitioners. A packed week of hands-on activities, their journey starts in Petworth's world famous art collection and Skyscape exhibition, before getting creative with their own artistic adventure in our dedicated studio space.

Specially designed for 8 – 12-year-olds, the camp promises the chance for your child to explore their artistic talent and make new friends. Those joining us for the week will even take home an Arts Award qualification. All materials, daily access to the house, galleries and grounds included. Old comfortable clothes a must!
