1. Aims

Our SEND policy and information report aims to:

- Set out how our school will support and make provision for pupils with special educational needs and disabilities (SEND)
- Explain the roles and responsibilities of everyone involved in providing for pupils with SEND

Our Inclusive Ethos

Slindon Church of England Primary School is a mainstream school. We encourage all the children to feel valued, happy and active members of the school community. We recognise that all staff share the responsibility for identifying and supporting children with SEND. In adopting a teamwork/ triangulated approach (e.g. children, parents/carers and teachers.) We use our best endeavours to provide an inclusive learning environment, based on secure yet challenging learning opportunities for all.

Inclusion involves change. It is an unending process of increasing learning and participation for all students. It is an ideal to which schools can aspire but which is never fully reached. But inclusion happens as soon as the process of increasing participation is started. An inclusive school is one that is on the move. *(Booth and Ainscow, 2002: 3)

The four guiding principles of the Early Years Foundation Stage underpin our school ethos. From the moment a pupil enters our school and throughout their time at Slindon Church of England Primary School, we ensure that:

1. Every pupil is a ***unique pupil***, who is constantly learning and can be resilient, capable, confident and self-assured;
2. All pupils learn to be strong and independent through ***positive relationships***;
3. All pupils learn and develop well in ***enabling environments***, in which their experiences respond to their individual needs and there is a strong partnership between practitioners and parents and/or carers;
4. All ***pupils develop and learn in different ways and at different rates*** including pupils with special educational needs and disabilities.

Slindon Church of England Primary School is committed to meeting the needs of pupils with Special Educational Needs and is supported by the Local Authority, the SEND Hub and other agencies to ensure that all pupils, regardless of their specific needs, make the best possible progress in school. All schools are supported

by the Local Authority to be as inclusive as possible, with the needs of pupils with a Special Educational Need/s and or disabilities being met in a mainstream setting wherever possible, where families want this to happen.

2. Legislation and guidance

This policy and information report is based on the statutory [Special Educational Needs and Disability \(SEND\) Code of Practice](#) and the following legislation:

- [Part 3 of the Children and Families Act 2014](#), which sets out schools' responsibilities for pupils with SEND and disabilities
- [The Special Educational Needs and Disability Regulations 2014](#), which set out schools' responsibilities for education, health and care (EHC) plans, SENDD co-coordinators (SEND COs) and the SEND information report

This policy also complies with our funding agreement and articles of association.

3. Definitions

A pupil has SEND if they have a learning difficulty or disability which calls for special educational provision to be made for them.

They have a learning difficulty or disability if they have:

- A significantly greater difficulty in learning than the majority of others of the same age, or
- A disability which prevents or hinders them from making use of facilities of a kind generally provided for others of the same age in mainstream schools

Special educational provision is educational or training provision that is additional to, or different from, that made generally for other children or young people of the same age by mainstream schools.
