World War II

Take Away Task

As you know, our theme for this term is 'World War II'. Your Take Away Task this half term is to complete an individual research project about an aspect of World War II. You can choose what you would like your project to be about.

You can present the information you gather in any way you choose e.g.

1. Power Point presentation (including images and photographs)
2. Leaflet – use others as a guideline
3. Information Booklet – written information and pictures/photographs
4. A model with an accompanying mini booklet
5. Poster – must include writing as well as pictures
6. Pictorial map
7. A much more exciting way that you have chosen yourself

You will need to include information about:

- the similarities and differences between the time period 1939-1945 and modern day Britain;
- the impact of WW2 on your area of study;
- the sources of information you have used in your study;
- dates and historical terms.

If you need any help or resources please ask.
Good Luck and enjoy!
Mrs Tully
